Jon,

I just received an email from our attorney, and he said that you received the audit. I want the record to show that you stated that the 10 month "investigation" would continue for another three weeks, which means it will end on May 2nd. To date, neither you nor anyone from the District has been to Mason Classical Academy during the "investigation." You have not interviewed the Principal or any current board member.

I also want the record to show that you told our attorney that you would not be accepting any additional information from the school. I also want the record to be clear that you told our attorney to inform representatives from Mason Classical Academy to stop emailing you. We also want the record to show that Mason Classical Academy was never notified of the "investigation" nor were we informed of the scope of the "investigation."

For the record, Mr. Fishbane will not respond to our attorney in writing, therefore I am documenting what has been stated. Thank you!

Regards,
Kelly Lichter, President
