I didn't get that at all when I sent him an email. Interesting.

Matthew Mathias The auto response says he is out of the office starting today, the 14th. If you e-mailed him yesterday...he was likely still in the office, so you likely should not have rec'd that message.

Brian Thornburg [Juliette Bloom Lysiak](#) I spoke with Jon Fishbane on the phone Tuesday night. He told me he was leaving this Friday for vacation. He said he has not had a vacation for a year.
