

RT - Adler

- Fiscal and ed issues with school bd - spending it all willy nilly; rubber stamping; core curriculum - negative want to be taught - mastery of ed (rammed down from Fed) - don't move on, discovery learning, had to be lock stepped with other teachers, amount pd Dr Patton - \$55,000 less, Mr Terry agree on many ideas - well liked, cardboard figure, now issues coming out - differences now, straw polls, Patton's raise, organizational chart - all transparent, overlapping services, Dept Assoc Asst, all on the other pages, school dis sup 5 yrs., rubber stamping bd mtg, NW Dakota - small district - close to transportation - curr - balance budget - great experiences - far greater than doc in ed and community ed, blue and white collar jobs, 8 years - 25 yrs in FL, under pd teachers - compared to burecracy - 8-16 paperwork - new report cards to standards - rules from accountability - push to standards; standards from the community not the top; new test 7-8<sup>th</sup> gd math question 4, FCAT 3.0, spending - high pd bur.; start a curr project - plan; Spalding phonics - even in preK - train trainers - dropped why?; graphic organizers - do in bubble map etc. push for a couple years - then dropped; BYOD - afraid - tool one tool in teachers bag - believe in tech - abuses - concern wrong site - problem bathroom - FCAT kids have phones anyway; charter schools - embrace - gives choice; open boundaries - transportation who pays; magnet schools - transportation; principal most important person - set climate or break back - principal pool validity check - some are inept and some guiding - how tyrant and good - selection process of principals; grades in IMH - why pushing college board - more in trades; contract ext - hate to see go 5 yrs back - time of great contention - Probation; disenfranchised from the public - works hard - more politician than education - cease and dissis order - average - get in to see her - like royalty - staff members that buffer her - so much delegated - do you need a sup - what should we do about this - when he was Sup they looked at him - luxiousious position to delegate. Want to thank message.

KC - pilot / OJT Construction

PC - Celebrate America next month

PC - Opening of Schools - 8:30 the meeting starts 2-3 minutes to say hi on behalf of the board
