

2nd Grade E-Day Assignments

Writing/Science: Gather some snow in a bowl or a cup. What happens when you bring it inside? Does it stay as snow? Does it turn to water? What happens when you do different things to the snow - like put the bowl in the freezer, or put the bowl in the microwave. Write about the way your snow changes.

Religion: Learn about St. Valentine or any other saints through the “Saints for Kids” Channel.

https://youtube.com/watch?v=wxpFmnou_aQ&si=EnSlkaIECMiOmarE

Reading: Read a book of your choice for 20 minutes.

Math: Work on Xtra Math, Prodigy, Boddle - log in info posted on Class Dojo

Optional practice: Education.com assignment titled “Snow Day”
