People Impacted by hearing Gospel, healing, etc through mission team of 30 throughout Uganda regions: 10,000+

People being actively mentored weekly/monthly: over 350 between young leaders, intercessors, teachers, other leaders.

Dominion Life Junior School: has greatly increased their agricultural production, doubling each of the 3 harvests, able to produce maize enough to feed all the 124 kids plus the 9 members of staff for lunch and breakfast including those that have supper for the all 3-month term. Also have acquired a permanent solar water supply and the pig project is also increasing so they now have 14 pigs, 3 mature ones and 11 young ones to use for food and selling. They just planted tomatoes, cabbages, maize, beans, bananas, and sweet potatoes and are expecting a greater harvest! Other school equipment purchased: 3 outdoor playground equipment donated, land with road access with an extra acre for farming, the 4-classroom building for primary class started, flash drives and surge protector.
