Eagle Ford Consortium Inc., (EFCI) is a 501(c)(3) non-profit organization whose mission is to ensure that the communities in the Eagle Ford Shale region can explore, produce and benefit from the area's natural gas and oil resources. This is made possible by facilitating a free exchange of information and expertise via educational forums and programs. As such, the EFCI will continue to provide the most up-to-date and promising tools and research, enabling both citizens and leaders to enjoy a prosperous and sustainable future.
