

# Childrens Home Brochure

## About Us

At Thrive Support Services, we empower children in a safe and nurturing environment.

Our dedicated team focuses on each child's unique needs, promoting personal growth, resilience, and independence.

We believe everyone deserves the opportunity to overcome challenges and explore their potential, supported by a positive framework that fosters well-being.

Our tailored approach ensures a high-quality experience that enhances independent skills while building trust and mutual respect.

We prioritise a values-based method that encourages confidence and self-worth, helping individuals flourish and achieve a brighter future.

## Categories of Support We Offer

Thrive Support Services can provide medium to long term residential accommodation. The children we can support may exhibit challenging behaviour due to suffering early years trauma, abuse, and any ACEs they have experienced prior to arriving with us. All staff will have appropriate training to support children who are under a DoLS, present with emotional and behavioural difficulties including a good understanding of trauma informed practices.

Autistic Spectrum Disorder (ASD)

Attention Deficit Hyperactivity Disorder (ADHD)

Attachment Disorder & RAD

Attention Deficit Disorder (ADD)

Mental Health Issues

Self-Harming Behaviours

Trauma

Challenging Behaviour

Criminal behaviour

Moderate Learning Difficulties

Drug and Alcohol Abuse

Social, Emotional and Mental Health problems

Gang Involvement

## Action and Ethos for Care and Support

At Thrive Support Services, our ethos is **"When Action Meets Compassion, Lives Change."** We focus on doing what's right, needed, and what works. By collaborating with the child, their families, and professionals, we ensure a unified, multi-disciplinary approach for the best outcomes. Our support is guided by Children's Homes Regulations 2015. We promote choice, independence, and equality for all. Committed to openness, we welcome feedback and ensure everyone is informed of our complaints and compliments process.

### Key values

**Respect:** We believe every child deserves respect and dignity. We listen to their views and celebrate their unique identities and cultures, ensuring they feel safe to be themselves.

**Trust:** Children thrive when they trust the adults around them. We are honest and open, ensuring they feel valued and comfortable sharing challenges.

**Compassion:** Children need to feel genuinely cared for to build supportive relationships. We hire nurturing staff dedicated to going the extra mile.

**Opportunity:** Every child deserves the chance to reach their potential. We provide experiences and support to help them explore their talents and develop life skills.

**Challenge:** Overcoming challenges helps children grow and build resilience. We encourage them to face adversity positively and strive to be their best.

## The Team, What we offer

Thrive is all about creating a space where you can feel supported, grow, and discover new opportunities. Our team isn't just here to help—they're passionate about going beyond their duties, making sure you feel empowered in every area of your life. We're committed to being there for you, offering support that's more than just care—it's about helping you truly thrive.
