

Quality Volleyball Training and Education

If you are a volleyball player, male or female, any age, any skill level, looking for individualized training, 4 Pillars Volleyball is offering summer **Lessons (private and semi-private)**.

Lessons may be conducted with a single player who is looking for focused feedback and instruction. It is often more cost effective and beneficial to hold a lesson with 2-4 athletes training together in a semi-private session. This group can be formed by the athletes and parents requesting a lesson, or our 4 Pillars Staff can assist in putting together an appropriate small group.

The Four Pillars of Athletic Excellence.

- Athleticism - strength, speed, quickness, size, etc.
- Technique - footwork, body position, technical skills of passing, setting, serving, or hitting
- Volleyball "IQ" - understanding of the game, strategy, vision (eyeQ)
- Intangibles - communication, attitude, body language, competitive fire, teamwork, etc.

4PV participants in a lesson will receive:

- A one hour training session that has been designed to specifically address the needs and position of the athlete
- Instruction delivered by Coach Miller and selected staff
- If desired, a "homework" piece to continue training after the lesson

PROGRAM DETAILS

A quality lesson should challenge an athlete, address technical details that are often overlooked in a team setting, and provide a high number of repetitions with corrective feedback to maximize growth in a short amount of time. A lesson from a 4PV coach is a valuable and positive experience!
