

# CONNECT-ALL

## Product Information

- Includes: (1) flexible strap and (2) Slide Hooks.
- Used with plastic chain to create a visual barrier between bollards, delineators, poles, posts, trees, stakes, and more.
- **Small:** fits up to 21 inches in circumference.
- **Large:** fits up to 34 inches in circumference.
- Also available with 25 feet of 2 Inch Plastic Chain—Small and Large.

## Features

- Connect-ALL strap will fit around most bollards, poles, or posts.
- Manufactured with thermoplastic elastomer—strong, flexible, and durable.
- Slide Hooks are able to be positioned 180 degrees apart (forming a straight line) or 90 degrees apart (creating a corner).

2 Size Options

Strong & Flexible

Light Weight & Portable

UV Barrier

Quick Install

*Products are intended for visual purposes only. They are not intended to support weight. Plastic chain must not be used where a break may cause damage or injury.*

## Suitable for Many Installations

## Standard Color Options

Connect-ALL is only available in Black. Can be purchased with 25 feet of 2 Inch Yellow Plastic Chain.

## Accessories

**Snap Reflectors** provide a reflective image that is very effective for visibility at night. They are easy to attach and detach, allowing for quick installation and repositioning. Supplied in a package of 6. The Snap Reflector is recommended for use with 2 Inch Plastic Barrier Chain. *Plastic Chain is not included.*
