

JUNIPER | 24-port Switch Sales Promotion

Program Period: 1 Nov to 31 Dec, 2021

Juniper EX2300-24T switch with 12-month NBD support

HK\$ 4380/Unit

The EX2300 occupies a single rack unit, delivering a compact solution for crowded wiring closets and access locations where space and power are at a premium. The EX2300 switch's 10-inch/12-inch depth and low acoustics also make it ideal for open office deployments.

- Economical, entry-level, standalone solution for access layer deployments in branch and remote offices and enterprise campus networks.
- Flexible 1GbE SFP/10GbE SFP+ uplinks provide high-speed connectivity to aggregation layer switches or other upstream devices.
- Complete Layer 2 and basic Layer 3 switching capabilities are available.

Terms & Conditions:

1. Promotions is valid until stock last, first come first serve
2. Only customers in Hong Kong and Macau are eligible
3. All matters and disputes will be subject to the final decision of Tech-One Systems Limited
