

# Welcome to the Valley Central Education Foundation

## Tricky Tray

Friday December 8, 2023

On behalf of the VCEF I welcome you to our 2023 Ticky Tray.

The VCEF is an assembled group of educational professionals and community members who share a vision of high educational standards, caring and compassion for the students enrolled in the Valley Central School District. We are dedicated to enhancing, maintaining and promoting opportunities for the students enrolled in the VCSD while supporting creative educational initiatives.

Tonight we are raising funds for our Teacher Grant Initiative. Over the past 12 years we have awarded over \$50,000.00 in Teacher Grants in the district. We have amazing teachers and employees that apply for Grants each year to supplement, augment, enhance or in some way make a difference for the students they serve. It is our pleasure to be able to help make that difference.

My sincere appreciation to everyone involved in making this event a success.  
Enjoy and GOOD LUCK!

Chris Ann O'Connor  
President
