

Dear York Adams Academy Parent or Guardian,

The Penn State Educational Opportunity Center (EOC) offers free educational support services to seniors in high schools in York and the surrounding areas. These services include assistance with:

- Applying to colleges or other postsecondary education institutions;
- Learning about financial aid, including grants and scholarships;
- Applying for the FAFSA;
- Enrolling in professional certification or trade school programs;
- Career counseling.

We are thrilled to offer our **free assistance to seniors at York Adams Academy** during the 2020–2021 school year. In coordination with the school’s Counseling Office, our services will primarily be provided virtually during school hours, but additional help is available for students and their families during evenings and weekends.

Signing up for services from Penn State’s Educational Opportunity Center is an easy process that only takes a few minutes. To register your senior, please complete the online application form found here: <http://equity.psu.edu/educational-opportunity-center/application>. Once this form has been received, a counselor from the program will touch base with your senior to schedule a time to meet during school hours.

If you have any questions about the EOC program, please contact me at 717-885-7342 or jla246@psu.edu.

I look forward to working with your senior during this school year.

Thank you,

Jess Abrams Schrodel
