Dear Ray,

On behalf of the BIAA-Maine Conference Planning Committee, I would like to thank you for presenting at our 7th Annual Brain Injury Conference.

We had 250 attendees, making it our largest turn-out yet. We could not have achieved this without your contribution of time and knowledge. The overall feedback we received was very positive and I have enclosed copies of your session's evaluations.

Again, thank you so much for joining us and for helping to make this conference so successful!

Sincerely,

Lori
