DOVER — Leading providers in the field of concussion diagnosis and treatment will join an award-winning concussion awareness activist and professional boxer at the third annual Wentworth-Douglass Concussion Symposium on Nov. 18.

The one-day medical symposium will present the most current evidence-supported assessment and management of concussion.

Presented by Wentworth-Douglass Hospital Rehabilitation Services, the symposium provides up to 7.0 AMA PRA Category 1 credits™. Cost is \$155. (+fees) and will include lunch.

Featured speakers are: Ray Ciancaglini, of The Second Impact, who is a former professional boxer and award-winning concussion awareness activist; Dr. Nathan Cook, a pediatric neuropsychology fellow at the MassGeneral Hospital for Children Sport Concussion Clinic; Dr. Adam Cugali, a physiatrist with the NH Neuro Spine Institute and Dr. Kevin Heaton, of Access Sports Medicine, who is a board-certified family practice physician with a certificate of added qualification in sports medicine.

For additional information about these and other speakers, and to register for the symposium, visit wdhospital.com/events.

The symposium will be held from 8 a.m. to 4:30 p.m. in the

Wentworth-Douglass Hospital Garrison Auditoriums, 789 Central Ave., Dover. It is recommended participants dress in layers.

Wentworth-Douglass Hospital Education/Organizational Development Department is an Approved Provider of continuing nursing education by the Northeast Multistate Division (NE-MSD), an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

Wentworth-Douglass Hospital is accredited by the New Hampshire Medical Society Council on Education to provide continuing medical education for physicians. The Wentworth-Douglass Hospital designates this educational live activity for a maximum of 7.0 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in this activity.
