Dear Ray:

Congratulations on your endorsement by the New York State Athletic Trainers Association as the speaker for all of New York State during National Athletic Training Month.

It is truly a great tribute for you to receive this recognition and it is a result of your hard work and achievement in educating the public that you have been rewarded with this honor. It has been my pleasure to work with you in this mission and I look forward to continuing our work together to increase awareness of concussions and their affects.

In the meantime, if I can be of assistance to you or the Second Impact, please do not hesitate to contact me.

With best wishes.

Sincerely,

Michael F. Nozzolio,
Senator, 54th District
