

BRYCE COLBY

ABOUT ME

I picked up a golf club for the first time in January 2019. Six short months later I entered my first junior golf tournament. Since then I've brought home twenty Top 10 finishes and of those were three 1st place trophies. Those around me would tell you that I have a strong focus on intentional practice, mentoring those around me and that I enjoy competition. Every time I step on the practice green, driving range or golf course, I challenge myself. I am so grateful for my family and my coaching staff who have been a positive force in my life, supporting and encouraging me.

My goal is to compete at the collegiate level with a golf program where I can support my team's success, engage in high level competition and that has a demonstrated focus on community involvement.
