

AIR BNB MANAGEMENT

HOW DOES IT WORK?

MEET OUR EXPERTS

Face to face

During the initial meeting we will get to know your property and give you an approximate revenue estimation. We'll discuss your schedule, special needs and any other things that are important to you - to make sure your rental runs smoothly.

DECORATE. UPGRADE.

PS. ONLY IF YOU WANT TO!

We will discuss a budget with you to add certain touches and/or things your home will need, whether it be decorative items or basics such as plates, cutlery, cleaning supplies etc. (or both!)

PHOTOS + LISTING CREATION

GO TIME!

We will send our photographer to capture the best that your place has to offer. We'll come up with a catchy name, desirable description, and make sure your listing is designed to capture a "would-be" guest's imagination and publish it on Air BnB.

FINISHING TOUCHES

VOILA!

It's now time to equip your home with hotel quality linen and towels (even toiletries if that is something you have discussed previously) - ready for your first guests.

WELCOME YOUR FIRST GUESTS!

After we have finished our last clean-up, it's time to welcome your first guests! You can sit back and relax, while we do everything from guest communications, to check-in, to cleaning after your guests.
