FOR YOUR CONSIDERATION

by Father Michael

I have previously spoken about the condition of the “colonnade” that is on two sides of the courtyard. Clearly its age is showing in the cracks, flaking, and discoloration of the material. Many folks have said, “It just needs a good power washing.” We have tried that; the areas that are black are permanently discolored. I have also heard that we should just slap a coat of paint on it and it will look as good as new. That may buy us a few years, but it does not address the cracking, chipping and disintegration of the material on all the corners. It needs to be addressed in a bigger way. We have had estimates from three companies to refinish and restore the columns. The estimates range from \$32,000 to \$59,000. This cost seems excessive, and I would not be comfortable spending parish money on this project. If you think you know a more cost effective way to properly address this issue, I would love to hear from you.

When the building was first constructed in 1995 the eastern row of columns were the defined “border” between the courtyard and the path leading through the woods to the parking lot. Since then, several significant improvements have been made. One was the creation of the Children’s Memorial Garden in 2013. In addition, the outdoor Stations of the Cross were gradually built and enhanced through the years through various Eagle Scout projects. Both of these efforts have included landscaping, which greatly beautifies that side of the courtyard. Much of that landscaping is hidden by the columns and the trees in the courtyard. Recently four of the pear trees in the courtyard were removed as several of them were dying. I never felt as though those trees encumbered the courtyard, but since they were removed, it feels much more spacious.

I believe we need to consider removing the colonnade. I appreciate this would be a drastic step and would alter the original design of the building. But I believe it would open the space to fully appreciate all the beautiful landscaping that is already there. I have not investigated the cost of that, but we do have a parishioner whose business is demolition, and he offered his assistance if we choose to move in that direction.

Don’t worry, I don’t have a bulldozer warmed up and ready to go, but we do need to address this in some way. As any homeowner knows, if you don’t look at the ole homestead with a critical eye, it can deteriorate and no longer hold the beauty and purpose it once had. No decisions have been made, but I want to share with you what I am thinking. I would welcome any suggestions or ideas regarding this. More to come...

Anointing of the Sick

In the past, people received the Sacrament of the Anointing of the Sick only when they were gravely ill. However, the Church believes that the Anointing of the Sick should be experienced while we are still able to be aware of God's peaceful presence within us.

You are strongly encouraged to receive this Sacrament if you are having upcoming surgery, are dealing with a chronic or debilitating illness, are suffering from addiction, mental health issues or frailty.

*On the first Sunday of each month, the Sacrament of the Anointing of the Sick is offered after the 9:30 AM Mass. **Sunday, May 7th**, is the next date the Anointing will be offered.*

Mary's Month

Traditionally, the month of May has always been known as Mary's month. As the Mother of God, the Virgin Mary has a unique position among the saints, actually among all creatures. She is exalted, yet still one of us.

Mary embraces God's will and freely chooses to cooperate with God's grace. Throughout the centuries, the Church has turned to Mary in order to come closer to Christ. Many forms of piety toward the Mother of God developed that help bring us closer to her Son. The Church honors her as the Mother of God, looks to her as a model of perfect discipleship, and asks for her prayers to God on our behalf.

The second Vatican Council clearly explained her role. What Mary does for the salvation of the human family does not come from her own power, but from a gift of divine grace that is bestowed on her through her Son. Mary, in no way, replaces Christ. Rather, her role is to bring us to Christ. We see this illustrated in Mary's words at the wedding feast of Cana when she told the waiters: "Do whatever he tells you." (John 2:5)

As we sing of Mary this May, let us embrace her grace, courage and "yes" in accepting God's invitation to be the Mother of Jesus. Throughout the liturgical seasons, we honor Mary at different times such as: January 1st – Mary, Mother of God; March – Annunciation; Saturday after Corpus Christi Sunday – Immaculate Heart of Mary; May 31st – Visitation when Mary visited her cousin Elizabeth; August 15th – Assumption of Mary into heaven; August 22nd – Queenship of Mary; September 8th – Mary's birthday; September 15th – Sorrows of Mary; October 7th – Our Lady of the Rosary; November 21st – Presentation of the Blessed Virgin Mary; December 8th – Immaculate Conception of Mary; December 12th – feast of Our Lady of Guadalupe. The Church honors and celebrates Mary, as a woman of great faith all year long, not just during the month of May. All of the above feasts remind us that Mary put God first in her life and lived with much love her entire life.

Happy May, be blessed, be safe and healthy! ~~ *Michele Hall*

Lets talk about it...

MENTAL HEALTH AND WELLNESS 101

MHW 101 reframes the conversation about mental health-teaching that we ALL have mental health; it's not just about the presence or absence of an illness. The one hour training will help participants understand mental health as an integral part of overall health, prevalence of mental illness, and risk & protective factors; promote help-seeking behavior, recovery and self-care.

**Join us
May 15, 2023
at 2:00PM
in the Atrium**

Goals of the training:

- Increase basic knowledge of mental health to help reduce stigma.
- Understand Mental Health as a continuum of wellness that defines us every day – it is illness, recovery and all of the space in between.
- Promote wellness, treatment seeking behavior, recovery and self-care.

Why is this important?

Consider this: the median time between the onset of mental illness (when symptoms first appear) and when an individual gets appropriate treatment is **10 years**. During that time, a person is likely experiencing periods of increased symptomology and periods of wellness. Mental Health and recovery are dependent on an individual's ability to recognize and manage where he/she is each day on the continuum between wellness and illness and take care accordingly, an important piece to quality of life. **Education and early intervention promotes wellness.**

PARISH OUTREACH

Let's Talk about Mental Health

May is Mental Health Awareness Month. Mental health includes our emotional, psychological, and social well-being. It affects how we think, feel, and act. It also helps determine how we handle stress, relate to others, and make healthy choices.

People often don't get the mental health services they need because they don't know where to start. [Talk to your primary care doctor or another health professional about mental health problems. Ask them to connect you with the right mental health services.](#)

If the situation is potentially life-threatening, get immediate emergency assistance by calling 911, available 24 hours a day. If you or someone you know is suicidal or in emotional distress, contact the 988 Suicide & Crisis Lifeline. Trained crisis workers are available to talk 24 hours a day, 7 days a week. Your confidential and toll-free call goes to the nearest crisis center in the Lifeline national network. These centers provide crisis counseling and mental health referrals. If you or a loved one needs help, please reach out.

Telephone Reassurance

Telephone Reassurance is a FREE program designed to benefit isolated or homebound seniors to provide a safety check or a social chat. All calls are made in the morning, Monday through Friday, from 8:30 AM to 11:30 AM.

These calls are made by RSVP (Retired Senior Volunteer Program), senior volunteers who have been screened and trained. The volunteers work under the supervision of an RSVP staff member and regularly participate in ongoing seminars designed to build skills and gain knowledge of the senior population and community resources.

A brief enrollment form with client information and emergency contacts is all that is needed to begin this free service. Enrollment forms can be found in the Outreach office, or you can call RSVP directly at 631-979-9490 Ext. 21. **All calls are confidential.**

Dress a Girl Around the World

Dress a Girl Around the World will not be meeting in the month of May. We will meet again on June 29, 2023. Dress kits are available in the Outreach office.

Eucharistic Ministers Needed to Bring Communion to Olsen's Rest Home

We are looking for a few Eucharistic Ministers to bring communion to the residents at Olsen's Rest Home. A member of our dedicated team of Eucharistic Ministers visits Olsen's one day each week providing holy communion, prayer, comfort, and a friendly face. If you are interested in being part of this wonderful ministry, please call Outreach at 631-265-2200 x 113. Commitment is once per month on a Wednesday morning at 10 AM.

TAKE A CHANCE!

Spring Cash Fling

For many years the Cash Calendar was a part of the Holy Cross routine. This fundraiser provided some additional financial support to the parish. In addition, many parishioners enjoyed participating in it. Unfortunately, it was one of the many parts of parish life that was lost to COVID. At this time, it is unlikely that we have enough parishioners attending Mass on a weekly basis to support a monthly drawing. And so, we introduce the “*Spring Cash Fling*.” This is a similar idea, however it will be offered initially on a quarterly basis.

- \$10 per ticket
- Tickets are available for purchase through March, April and May.
- Drawing will be held **May 25th**.

Because we anticipate smaller participation, there will be a different pay scale:

- * 1 Prize @ \$250
- * 2 Prizes @ \$100
- * 10 Prizes @ \$50
- * 15 Prizes @ \$25

- This formula was based upon selling 250 tickets @ \$10 each. If more than 250 tickets are sold, the number of prizes will be increased. *(In the event the response is strong, we will resume a monthly drawing as soon as possible.)*
- Tickets will not be sold after Mass. Please use the tear-off tickets below. You may return your entries by placing them in an envelope and depositing it in the basket on weekends, or returning them to the Parish Office.

Thank you for your support!
