

## SELAS Stickers Template Instructions

1. This template is enlarged to make it easier for students to create a drawing. The winning drawing will be reduced to fit the 1.7" sticker size.
2. Think of a word that fits with the monthly theme you are drawing.
3. Think of a symbol or a simple picture that would capture that word.
4. Draw that picture so that it fills the entire space. Remember small intricate drawings in this large space will not be discernable on a small sticker.
5. Be sure that the entire space is colored in.
6. Do not include dialogue word bubbles. They will not be legible on the small sticker.
