

Navy Phase III – \$10.5M ID/IQ

U.S Department of Defense
Office of the Assistant Secretary of Defense
June 18, 2008

Lite Machines Corp., West Lafayette, IN, is being awarded a not-to-exceed **\$10,500,000** IDIQ Indefinite Delivery, Indefinite Quantity (contracting/procurement) contract for a Phase III Small Business Technology Transfer Program contract under Topic N04-T004, entitled "Sonobuoy Tube Launched UAV." The contractor will provide services and materials for engineering tasks, including research and development, prototype and testing of their rotary wing unmanned aerial vehicle (a powered, aerial vehicle that does not carry a human operator uses aerodynamic forces to provide vehicle lift, can fly autonomously or be piloted remotely, can be expendable or recoverable, and can carry a lethal or nonlethal payload). This contract was competitively procured using the STTR Program Solicitation under Topic N042-T004 and **41 offers were received**. The Naval Air Warfare Center was a former U.S. Navy military installation located in Warminster, Pennsylvania and Ivyland, Pennsylvania.
