# CRATNGER | | П $\quad$ FOR the ones who get it done 

Presented By:
The Munger Games
May the market be ever in your favor

## History \& Business Model

Tasha \& Josh

## Background

- North America's leading distributor of maintenance, repair and operating (MRO) products and services
- Founded by William Walace Grainger in the State of Illinois in 1928
- Headquartered in Lake Forest, Illinois
- In 1967 went public
- In 1996, first commerce enabled website,
- Measured by revenue, they are currently the $15^{\text {th }}$ largest ecommerce company in the U.S., with their subsidiary Zoro
- Acquired Acklands-Grainger (AGI) in 1998
- Used by businesses and institutions primarily in the United States and Canada, with presence also in Europe, Asia and South America.

## Business Model

- Single channel Online Model:
- Started with MonotaRO in Japan 2000
- Expanded to U.S. with Zoro in 2011, launched website in Canda in 2014
- Customers with less complex needs
- 70\% of the B2B market in U.S.

## Business Model

- Multichannel Model:
- The United States:
- 19 distribution centers
- 377 branches
- 51 contact centers
- Canada:
- 181 branches
- 6 distribution centers
- Contact centers
- Sales representatives
- Direct marketing materials
- Catalogs
- Ecommerce
- Can reach more than $95 \%$ of customers in North America via next day ground transportation due to its large distribution network.

## Customer size

## Large

－U．S．market size：\＄37B
－270K business locations

## Medium

－U．S．market size：\＄37B
－ 1.5 M business locations

## Small

－U．S．market size：\＄48B
－20M business locations

## Grainger model

## Multichannel

High service，high touch model with sales coverage to tailor offer to individual customer needs and constraints

ACKLANDS GRAINGER

- Distribution Center
(AS OF 12/31/14)

## Sales By Location

## Customers

- Customers range from small and medium-sized businesses to large corporations, government entities and other institutions.
- Grainger serves more than 2 million customers worldwide through a network of highly integrated branches, distribution centers and websites.

## Products

- 4,500 manufactures supply Grainger with 1.4 million products
- Exclusive Brands:
- Dayton, Westward, LumaPro, Tough Guy
- The 2015 catalog:
- over 32,000 new items
- 590,000 facilities maintenance and other products
- Products are regularly added to and deleted from Grainger's product lines on the basis of customer demand, market research, recommendations of suppliers, sales volumes and other factors.

## Sales By Product

## News

- April 2015 - Buyback plan \$3B stock plan to run for 3 years (17\%)
- In 2014, Grainger also announced the decision to close the business in Brazil and operations will cease during 2015.
- Grainger's Canadian subsidiary, Acklands-Grainger, acquired WFS Enterprises, Inc. (WFS) in the third quarter of 2014 (33 million)

## Competitive Advantage

- Deals Business Worldwide
- Wide variety of well known brands
- KeepStock Program
- Connecting 2,700 suppliers to 2 million customers
- High emphasis on online distribution
- Next day transportation due to large distribution network

## Risk Factors

- Certain services do better in certain seasons.
- Commodity prices on materials could increase the costs of manufacturing and transportation.
- Disruption of services could go against the same-day shipping and next-day delivery policy
- Fluctuation of currency exchange rates or economic activity in abroad jurisdictions
- Possible breach of Information Security System
- Geopolitical Risk

## Protective Moat

- Strong Customer Relationship
- Efficient distribution and branch network
- Economies of Scale
- Network Effect

## Qualitative Analysis

| What type of business is this: commodity <br> or sustained competitive advantage? | Sustained Competitive Advantage |
| :--- | :--- |
| Can you easily explain what the business <br> does? | Yes |
| Is it heavily unionized? | No |
| Does it require heavy capital infusion? | No |
| Does it require lots of research and <br> development? | No |
| Can inventory become obsolete? | No |
| Are there chronic "one time" write offs? | Yes |
| Is the company able to raise its prices to <br> offset inflation? | Yes |
| Will the company be able to sell more in <br> the future? | No |
| Billion Dollar competitor? |  |
