## Recent News

## Ulta's Exclusive Deal with Kylie Cosmetic

In Ulta's Q2 2018 Earnings Call Transcript, their CEO stated, "We are thrilled to confirm our exclusive partnership with Kylie Cosmetics, which will be launching in all stores and online later this year. Kylie Jenner is a highly influential force in the beauty industry."

ultabeauty It's true! We're excited to confirm @kyliecosmetics will exclusively be coming to all Ulta Beauty locations and online this holiday season. Stay tuned for details!

## Kylie Jenner *

@KylieJenner
Follow
I'm so excited to let you guys know that @KylieCosmetics will be coming to all @ultabeauty stores around the country this holiday!... More to come...

[^0]
## Kylie Cosmetic Success

According to Fortune, after Kylie Cosmetic hit the market, its retail sales reached a total of $\$ 420$ million dollars in just 18 months.

Kylie's project sales increased by $25 \%$ in 2017 and she is projected to reach 1 billion dollars by 2022.

## The Ulta Beauty Charitable Foundation

In 2017, Ulta partnered with Dress for Success to provide skills, knowledge, programs and confidence to help independent women succeed.

Since 2009, they raised over 22 million dollars for the Breast Cancer Research Foundation and helped fund 16 new research projects.

Charrable Foundation

## New Stores

In 2014 Ulta Beauty had a total of 715 stores.

In 2017 Ulta Beauty had a total of 974 stores.

In 2018 Ulta Beauty announced they were going to open up 100 new stores to have a total of 1074 stores.

In just the last 4 years we can see an incredible $66 \%$ growth in the expansion of their business.

## Current CEO of Ulta Beauty

Mary Dillon, Since 2013

## Mary Dillon

Graduated from University of Illinois with a BA in marketing and Asian Studies.

She is a non-executive director of Starbucks.

She was the Global CMO and Executive Vice President of McDonalds from 2005-2010

She was the CEO and President of U.S cellular 2010-2013

## Strategy \& Segments

## Industry

"Beauty is second only to gaming as the most viewed topic on YouTube" - Financial Times
Sephora and Ulta are capturing a bigger share of beauty sales
Share of US retail sales of beauty and personal care products (\%)

## Moore Beauty Research

- 44\% of women have negative feelings when they are not wearing makeup, with $16 \%$ saying they feel unattractive, $14 \%$ saying they feel self-conscious and $14 \%$ saying they feel naked.
- 48\% of women wear makeup because they like the way they look with it.
- 32\% of women said wearing makeup makes them feel good.
- 11\% said they wear makeup because it's a societal norm.
- 3\% of women said they feel more attractive going without makeup.

## "All Things Beauty. All in One Place"

- ^ represent MORE than 90\% of total net sales.
- = DATA
- Higher frequency shoppers, more \$ per visit.

## Location Convenience

- Convenient, high - traffic locations
- 90\% located in strip centers.

Projected Ulta Beauty Stores EOY 2018

## Distribution Network

- New center in Fresno, California.

OPTIMIZING OUR DISTRIBUTION NETWORK GOING FORWARD

## Stores

- 10,000 sq. feet
-90\% located in strip centers.
- 20 full and part time employees + managers.
- 1.6 million to open store.

## Employees

- Non - commissioned
- Trained consultants, licensed professionals
- Contribute to experience

## Store Layout

- Open store environment
- Encourage product discovery
- Flexibility to adapt to changes in current trends

## Adaptability

- Monica Arnaudo, SVP of Merchandising at Ulta Beauty.
"More visual content, like brand imagery and how-tos, will accompany each brand. Popular products will be grouped by trend, as well as by brand. Store employees will be assigned to assist customers shopping for mass brands, whereas they were typically left to their own devices before. And there will also be the option to test products in store."

Revenue Reported Categories

- Cosmetics
- Skincare, bath and fragrance
- haircare products and styling tools
- Salon services
- Other (nail products and accessories)

## Revenue Recognition

Merchandise sales at Retail store $=$ time of sale
Salon services = upon rendering of service
E-commerce = upon shipment

## Omni Channel Customers

"fully-integrated approach to sales and marketing that gives shoppers a unified experience across online and offline channels."

- Spend 3 times as much as non Omni channel customers
- Bridging the Gap between Offline and Online.

## E-commerce

E-COMMERCE
SALES
(\$ MILLIONS)

Sales

*E-commerce sales increased 37.9\% - Q2

## groWTH

- Cosmetic Influencers
- Estimated store growth potential = 1400-1700 stores, (40\%-70\%)
- Plans for 100 stores per year.
- Ecommerce \& Omni channel customers
-Potential room for expansion into Canada and International.

## Increased Efficiency

- Retail Sales per square foot

## Risk

- High profile influencers - Sephora or Ulta?
- Online retail pressures
- Serving every demographic = more competitors.
- Slowing

## Competitive advantage

- Brand Name
- Economies of scale
- Beauty brands see Beauty retailers as an opportunity for sales
- Omni channel capabilities provide new opportunities

- Exclusive rights with Influencers

## Ulta vs Sephora

Ulta sells products for consumers of all income levels

Sephora does not, more high-end products

Ulta diversified across many segments, including in store salons

Ulta operates more stand alone stores, Sephora partners with JC Penny

## Ulta vs Amazon

Ulta E-Commerce currently $15 \%$ of sales, growing $60 \%$ YoY

In-store activities a necessity for makeup, trying it on

Retailers declining, beauty retail is not

Ulta exclusive brands, recognition by celebrities
