# ABOUT GKU

The Guru Kashi University has been founded by Balaji Education Trust, Talwandi Sabo which was established in 1997 and became the foundation stone of education in this region. The first college, Guru Gobind Singh Polytechnic was established in 1998 and later Graduate and Postgraduate programmes were added. In 2001, Guru Gobind Singh College of Engineering & Technology was established, followed by Guru Gobind Singh College of Education in 2005. In 2006, GGS Institute of IT and Research and the GGS College of Nursing came into existence. In 2011, Guru Kashi University was established by the Punjab Act No. 37 of 2011. Since then, the university is growing and catering to the needs of local, national, and global areas in the lap of natural beauty.

# WHY ONLINE DEGREE PROGRAMS ?

- Flexibility and Convenience: Online degree programs offer unparalleled flexibility and convenience. One can have the freedom to study from anywhere, at any time, as long as on has an internet connection.
- Personalized Learning Experience: Online degree programs often offer personalized earning experiences. One can study at his/her own pace, revisit lectures and course materials as needed, and tailor the study schedule to fit one's individual learning style.
- Diverse Program Offerings: Online degree programs now cover a wide range of disciplines and academic levels. Whether one is pursuing an undergraduate, graduate, or professional degree, An online program is there that aligns with one's interests and career goals...

- Career Advancement: Online degree programs can help to advance in your current career or explore new professional opportunities.
