Call to Order. 6:32 pm

Opening Worship: On behalf of Stewardship, Vern Gilbertson read about “giving” and four criteria to make it meaningful: to give thoughtfully, enthusiastically, voluntarily, and cheerfully.

Adoption of Agenda and Adoption of Minutes of the October 15, 2019 meeting:

Motion: Leanne Sprung/Laura Crookshanks Carried

Business Arising from the Minutes/Old Business:

- a. Preparation of a Covenant of Mutual Commitment, Accountability and Support with the Prairie to Pine Region
Leanne Sprung presented a second draft and highlighted changes and additions. Craig also added information on Knox and our ministries.

Motion: Leanne Sprung/Shelley Tataryn Carried

That the Covenant of Mutual Commitment, Accountability and Support with the Prairie to Pine Region be accepted with revisions according to discussion.

- b. Emergency Response Plan
This item is tabled until next council meeting. Per Roger Bright, the Emergency Response Plan committee will meet once all committee members can attend.
- c. Planned Giving Policy
The planned giving committee presented a preliminary Planned Giving Policy.

Discussion:

Some concern was expressed that nowhere does it say where money is to be spent. It was explained that this should not go into the policy itself, but get decided after. In this way the policy does not need to be changed every time our plans change.

There was a suggestion we make a brochure, and indicate some of our priorities. While this is a good suggestion, this is procedure, and not needed to be included the policy.

There was some discussion as to who should be the committee members to administer the fund. Stewardship thought it should come under the Trustees, however, at the last Annual Congregational Meeting it was decided it should be a stand alone committee. Again this is procedure rather than the policy

Motion: Roger Bright/Leanne Sprung

Carried

To accept the Planned Giving Policy as presented by the Planned Giving Committee.

The Vice-chair thanked the Planned Giving committee for their work.

d. Revised Constitution

A copy of the revised constitution was distributed by Laura Crookshanks, with areas for Council's consideration.

Discussion:

Length of term for council members– council felt it could be recommended two 2-year terms, but can be longer.

Quorum – Consensus was to change the quorum for council meetings to 6 (excluding the secretary and minister).

Posting minutes – There was some discussion as to whether to post draft minutes on our website as set out in The Manual (UCC), or wait until they are approved by council. The final decision was we will post to be in compliance with The Manual, but they are to be clearly marked draft.

Memorial fund moved to report to Council rather than Stewardship.

Ushers and Greeters – can be left as general statement in constitution, but the worship committee can use whatever process to arrange for ushers and greeters.

Regional Council Reps – congregations are allowed to have 1 representative per 100 members. Given the size of the Knox congregation, we are eligible to have 4 representatives. The Nominating Committee will be responsible for recruiting representatives.

Archive committee – To remain under Trustees, with the added statement regarding ensuring the process takes place every 3 years. Add a section from the UCC document in our Procedure Manual.

Planned Giving Committee – This committee become a committee of council, and attend council meetings once per year or as required.

The consensus is that the constitution can be put on website. Members of the congregation wishing a copy can get one from the office (electronic or hard copy).

Discussion:

It was asked if this is now a requirement for all ministers within the congregation. Each one will each need to send a letter to council with their request. This is a formalization in many cases of covenants already in place.

That we support Quentin Robinson's formal association with Knox United church and approve the ministry responsibilities he has outlined.

Motion: Shelley Tataryn/Laura Crookshanks Carried
