

Dear GNHSOA Members,

While reviewing comments by members on the evaluation forms, the executive board noticed a concern about uniforms. It is important that all members have a minimum of two different colored jerseys and all uniforms should be in good condition (not faded).

We are going to place an order for Official Sports Grid Uniforms and other items for our board members. Depending on how much is ordered, we can get up to 20% on NISOA and USSF uniforms and 25% on other items (Whistles, cards, flags, etc.)

This would be a good opportunity to order alternate shirts, new shorts and socks.

Please order by JUNE 1. Email Peter Trenchard at (paxtondog@aol.com) with what you want to order. Once we get all the orders, we will figure out the discount and ask for payment.

Sincerely,

Monica Quisgard
President
