Dear JEFFREY KNIGHT,

Your COMMERCIAL TECHNICIAN license for PEST INSPECTION NETWORK located at 26504 TUSCAN VIEW, SAN ANTONIO TX 78261 has been renewed and is enclosed. Please review the information printed above and on your license carefully. The license will expire at midnight on April 30, 2025. You are required to notify the Texas Department of Agriculture within 30 days of any change in the information you provided in the application or renewal of this license.

All commercial and noncommercial licensed technicians shall complete eight (8) hours of verifiable training for the preceding calendar year running from January 1 to December 31. The verifiable training shall be reported on a board prescribed verifiable training record form, and must be verified upon each annual renewal of the technician's license.

The eight (8) hours should follow the subject areas listed below; however, please make note that there is no specific amount for each subject required. Federal and state laws; Recognition Application equipment; Pesticide formulations; Emergency procedures; Basic mathematics, chemistry, toxicology and entomology; Non-chemical techniques.

Please note that no more than two (2) hours of the eight (8) hours of training may be on the job training or hands on training. Internet training or videotape training may be used if the certified applicator certifies that the training is appropriate training. Hour for hour credit will be given if a Board approved Continuing Education Unit course is completed. No courses may be repeated for credit per year. All verifiable training records forms shall be kept on a format prescribed by the Board in the business file for at least two (2) years after termination of employment. The verifiable training records forms will be made available to the technician upon written request.

THIS IS YOUR LICENSE. CAREFULLY TRIM AWAY EXCESS MARGINS AND DISPLAY AT ALL TIMES.
