

BEYOND THE PEW THERE'S A PLACE FOR YOU

**Sunday Worship is *not* a
spectator sport.**

"They devoted themselves to the apostles' teaching and to fellowship, to the breaking of bread and to prayer."

Worship is a collective activity of the people of God and an expression of our common life and ministry. It demands the full, conscious, and active participation of the whole body of Christ, with heart, mind, soul, and strength. (PC USA Book of Order, W-2.02)

"And let us consider how we may spur one another on toward love and good deeds..."

Other forms of proclamation include song, drama, dance, visual art, and **testimony**. Like the sermon, these are to illuminate the Scripture(s) read in worship and communicate the good news of the gospel. (PC USA Book of Order, W-3.0305)

How has God met you in your life?

By sharing how God has met you in your life recently or in the past, you could be a blessing to the congregation during Sunday Morning Worship. There are multiple ways to share your testimony. You can speak in person on Sunday morning, pre-record your testimony to be shown on video, or write your testimony to be read by the worship leader.
