PROGRAM**

**THE FUTURE IS IN  
YOUR HANDS**

## WHAT WE DO

All members of USOLMT have access to our advocacy program and member resources. There are several different ways we advocate for you and our profession.

- One on One Direct Advocacy
- Employee & IC Support Resources
- Employer Support Resources
- Infectious Disease Information
- State Board Meeting Recaps
- State Legislation
- Correspondence to Decision Makers
- Speaking out against Injustice
- Sexual Solicitation Resources
- Monthly Advocacy Newsletter
- Current News and Information
- Issue Briefs & Research Reports

When you need assistance, you receive personal service. You are not just a number or a lost voice in a crowd. We will fearlessly intervene on your behalf. We conduct research and investigation into massage therapy issues and are familiar with many avenues to improve your situation or solve your problems.

**Advocacy is changing "what is" into "what should be".**  
**Never stay silent on the things that matter.**
