Senior business technologist, product and operations professional adept at building relationships and applying technology to achieve business and technology objectives. Over 20 years of experience in hands-on people management, software development, product management, operations and engineering disciplines, coupled with increasing responsibilities working alongside senior and executive leaders on strategic high-value initiatives.

CIO.com "One to Watch" in 2018 and Connecticut small business owner.

EXPERIENCE

2021-2023: Senior Manager Product Mgmt • The Walt Disney Company

- Lead a Product team supporting a software, hardware and service-based product portfolio for broadcast and digital technologies
- Designed and implemented a Product Management Framework (PMF) and team operating model introducing Product to the Engineering organization
- Architected a request pipeline and triage process to funnel and automate product requests from Engineering stakeholders throughout Disney

2017-2021: Senior Manager Technical Product Mgmt / BRM • Disney

- Management of the Disney Media and Entertainment Distribution (DMED) Production and Broadcast Operations' portfolio of capital initiatives, in support of Long-Range and Annual Operating Plans (\$10m+)

2011-2017: Senior / Lead Product Mgr • ESPN

- Facilitated strategic collaboration between Entertainment, Sports and News Operations teams across all Disney linear and digital networks (e.g. ABC, ABC News Live, Owned TV, Disney Kids, Freeform, FX, NatGeo and ESPN)

2009-2011: Senior Business Analyst • Insurix (Connecture)

- Managed relationships, roadmaps and requirements elicitation efforts for Blue Cross / Blue Shield of Arizona and Cigna, two of Insurix's largest clients.

2003-2009: Manager of Information Technology • Secured Marine Trust

- Led the end-to-end management of SMT's technology footprint (web hosting, software dev, product management, customer/tech support, vendor management, patent filing)

2000-2003: Software Engineer • Verizon

- Hands on software and data warehouse development (Unix, Java, .NET)

LEADERSHIP

2018-Present: Co-Owner • Bell City CrossFit (BCCF)

- Lead back-end business operations for BCCF, a micro-gym with ~100 members (financials, operations, product development, marketing, sales, staff, legal, web site, and social media).

2008-Present: Torrington Toastmasters | Farmington Toastmasters

- Former Club President (Farmington) | VP of Public Relations (Torrington)
- Club & Area Contest Winner – District Contest Contestant
- Currently pursuing mastery in Strategic Relationships Pathway
