

# THE PLUMERIAN

---

VOL. IX. ISSUE 3 THE PLUMERIA SOCIETY OF SOUTH TEXAS MAY 2001

---

NOTICE of next meeting.

Wednesday, May 23rd, 2001 at 7:00 pm.

NEW LOCATION: GARDEN SENIOR CENTER 5325 Greely, Pecan Tree Room

PROGRAM: "About good bugs" by Dr. Parker from Texas A&M Extension Service

COMMENTS FROM THE PRESIDENT:

NOTICE new location of our meeting GARDEN SENIOR CENTER. Our Exhibit at the Botanical Gardens is looking good. Some of the Plumerias are blooming already. Lucian is watering and fertilizing the plants. I need some volunteers to help with labeling the plants with a black marker...Ernest will make signs for the new metal name stakes.

Leonard gave his seminar on Plumerias at the Botanical Gardens during their plant sale.

Our program this month will be given by Dr. Parker from Texas A & M Extension Service. His topic will be "Good insects for the Plumerias", but I am sure he can answer any questions you might have about gardening in general.

-John Balcar-

SCHEDULE OF COMING EVENTS:

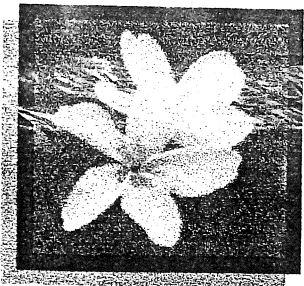

July 14, Saturday: PLANT SALE: at Padre Staples Mall

NOTE: In order to sell plants this year you have to have been a paid-up member in year 2000.

July 28, Saturday: PICNIC and YARD TOURS. More information at later date.

P.S. Please pay your dues so you can vote. Only paid up members are eligible to vote. Send check to:
