COMMENTS FROM THE PRESIDENT

The Botanical Garden's annual spring plant sale on Saturday, April 22 was a huge success. Both proceeds and attendance set new records for the Gardens. Luccian Willoughby, Leonard Howard, Rosa Meilleur, and Ernest Wood participated in the sale. Luccian Willoughby conducted a Plumeria Seminar for the visitors. On April 30 the Corpus Christi Garden Council, as a fund raising event, conducted tours of several super Corpus Christi gardens. Rosa Meilleur and Ernest Wood acted as guides for the Dr. and Mrs. Lee Guinn garden.

Our next activity will be our own annual garden tour and picnic. We need volunteers !!!! Give your name to Joy Cooper. Joy is also taking table reservations for the 8 July Plumeria plant sale at the Padre Staples Mall. She is collecting \$15.00 for each table that you will require for your plumeria. Please finalize your table requirements at the May meeting in order that supplies needed for the sale can be purchased and prepared for distribution.
