## COMMENTS FROM THE PRESIDENT:

Don't forget that February is the cut-off for payment of yearly dues in order to be included in the published membership list. The schedule of meetings of the Society was discussed at the January Board meeting. It was decided to add the month of March as a meeting date at which time our new membership book could be handed out.

Lucien Willoughby has volunteered to oversee the watering of our Plumeria this year. He will oversee the Community Service Workers for this project. If we do not have Community Service Workers early in the month, Lucien will hire a day laborer from Metro Ministries. They bus workers out to the site with a sack lunch. We must employ them for at least 4 hours and pay them \$5.15 per hour. At the end of the day we must take them to a bus stop. If we had to use only Community Service Workers for the six month season, our cost would be less than \$500.00.
