What is Famfare Kitchen (FFK)?

Famfare Kitchen is a fully-prepared, family-style meal service that helps busy families get a homemade meal on the dinner table. Unlike meal kits, FFK meals are hot and ready to share – no cooking, no cleaning, no messin' around. And unlike take-out or fast food, our meals are homemade and wholesome – no deep fried, fake food. At FFK, we just make what we would make our family for dinner – and multiply the recipe 100 times (or 200 times or something like that).

THE DETAILS

- All meals are homemade, hot and ready (no prep) OR frozen/refrigerated for later.
- Recipes designed to appeal to parents and kids alike - simple, delicious, well-balanced meals.
- Meals feed 4-6 people (depending on the ages/appetites of your family).
- Dishes are delivered in a 9x13 aluminum pan with salads/extras on the side.
- The menu changes weekly. Everyone gets the same thing, no substitutions or special orders.
- Pick-up between 330-630 at residential and corporate locations (see list of locations online).

No shopping. No prep. No mess. No stress.

Who's cooking these magical meals?

What are our clients saying?

"This service is invaluable to me and my family. I don't like to cook much and wouldn't have time to even if I did so feeding my family a "home-cooked" meal where we can sit around the table together instead of the usual restaurants adds valuable time together for us."

"It's my favorite night of the week. We all love Famfare - my husband, my kids and me especially."
