ADDENDUM NO. 2 **RFQ# 2023 – 0001**

The response date for submission of the Request For Qualifications is hereby extended to Friday, January 19, 2024.

The following questions have been asked:

Question 1: For respondents which may have submitted responses to the RFQ prior to NBHA’s posting of the above or any future Addenda, please clarify the following:

- Should (1) the respondent not deem it necessary to make any revisions to its submittal in response to the Addenda; and should (2) NBHA require that all RFQ responses include an acknowledgement of the subsequently posted Addenda:
 - Will NBHA require a complete resubmittal of responses to include all previously provided response materials in addition to an acknowledgement of any addenda? **OR**
 - Will NBHA accept a separate acknowledgement of addenda to supplement a previously submitted RFQ response?

Answer 1: Proposer(s) should make their **own** decision regarding its response to any posted addendum.

Answer 2: The RFQ speaks to the issue of addendums:

“If an amendment is made after the submission deadline, NBHA shall issue a written amendment to all those who submitted a proposal, and, if necessary, provide a date for submitting additional information based on the amendment. Absent an amendment by NBHA and minor omissions mentioned below, no modification to a respondent’s submission shall be accepted after the submission deadline. ”

Answer 3: Proposer(s) may amend (in whole or in part), supplement their original proposal material up and until 4:00pm CDT January 19, 2024. Proposer(s) are responsible for determining that their submission meets the RFQ criteria.
