

MONTHLY MEETING

Our next meeting will be held on February 8th at 6PM via Zoom. A link will be emailed to everyone this week.

QUARANTINED/SHUT-IN AND NEED HELP?

If you're at home and you would like some help with grocery deliveries or medication pickup, Mrs. Shiela Dees has graciously offered to help you with this. If you would like to arrange this with Mrs. Dees, you can text her at 901-484-2940.

Thank you Mrs. Shiela!

WLA LONG TERM PLANNING

We have a committee that is working hard on putting together a long range planning report and questionnaire survey for all Woodland Lake HOA members for comments and suggestions. This will be coming out in the second week of February.

PROOFERS WANTED

We (the board) are looking for volunteers to help us in the event we reorganize some information in our bylaws. If you are interested in helping with this, please send an email to info@woodland-lake.com.

CONTRACTORS

If you have a reliable and trustworthy contractor you would like to have included on a compiled list for reference, please send their trade name and contact information to info@woodland-lake.com

OUR LITTLE FURRY FRIENDS

Woodland Lake loves their neighbors and all the furry friends who live here. This is a friendly reminder that your neighbors would appreciate it, if you let your doggies out without a leash, that you keep them in your own yards to conduct their "business", or bring a little-something with you to remove it if need be.

2021-2022 DUES

2021-2022 Dues Invoices have been emailed out to those with email addresses. If you choose to pay with a credit card, please add \$6 per lot to your payment to cover the credit card fees charged to the association. When you select "Pay Invoice" in the email, it will take you to a Quickbooks Online payment window. To the right of the payment amount, click the word "Edit" and add \$6 per lot to your payment. If you don't add the extra payment we will send you a second invoice for the \$6/lot credit card convenience fee. Thank you for understanding and if you have any questions, please contact Tim Cottam.

COVID BLUES

Bored? Here are a couple of websites for safe and fun things to do close to home.
