### **Letter of Recommendation**

To Whom It May Concern,

I am writing to recommend Tracy Branch and her company Seating Specialties LLC, for additional seating and bleacher services with future prospective clients. I have had the pleasure of working directly with Mrs. Branch on several projects in the past and most recently at our High School Auditorium. The scope of work for this project was completely removing, reconditioning, and installation of the original seating.

Seating Specialties has illustrated their attention to detail, quality, and safety on several occasions. It is the policy of M.P.I.S.D to strive for the highest quality work and safety standards. Seating Specialties has met and exceeded our standards of excellence.

Seating Specialties has been able to effectively meet all project requirements and Mrs. Branch and her crew have been able to quickly adapt to schedule changes from other subcontractors to keep her schedule on time and aligned with the overall project schedule. In addition, Seating Specialties has been exceptionally accommodating when dealing with unforeseen conditions and potential change orders.

Please consider Seating Specialties for your seating and bleacher needs. I recommend them and look forward to working with them again.
