

SHERIDAN SEATING INC.

A Green Friendly Company
Practicing ISO and P5 Industry Standards

Established in 1978 as a small, family run, gymnasium equipment manufacturer, we have grown into a vibrant, seating supplier with installations in 28 countries and counting.

Our North American market has allowed us continual year over year growth while maintaining a family business attitude.

Our rugged engineering is an industry leader. We would be pleased to take your team from the design to final product.
