

GYMNASIUMS

Basic Bleacher Styles
Sheridan offers a complete selection of telescopic units for a variety of applications.

Wall Attached Bleachers
Sheridan permanently located telescopic bleachers are easy to operate. Units come with closed deck, intermediate aisle steps, center aisle hand rails, Ready Rails and manual or integral power systems.

Recessed
This model provides space in the balcony. The unit has a pocket in a balcony which provides greater seating in the balcony allowing leg room from bleachers.
Reverse Facing
These units are the opposite of the units. They are attached and
