

NEYRA **FORCE**

Water-based, Petroleum Resin Sealer

Neyra Force is a water-based, petroleum resin sealer that outperforms traditional pavement sealers. While providing the benefits of a coal tar sealer, Neyra Force is environmentally friendly and safe for your employees to apply.

- **A PREMIUM ALTERNATIVE**

Neyra Force is a high performance alternative to both coal tar and asphalt emulsion sealers providing exceptional coverage, durability and color stability.

- **DURABLE & LONG LASTING**

Proprietary engineered resin is formulated to create tough and long lasting protection.

- **PROTECTS & BEAUTIFIES**

A tight seal forms an impenetrable barrier to protect against the destructive effects of sun, oxidation, water and chemicals, giving pavement a jet black color.

- **GAS & OIL RESISTANT**

Resists damage caused by gasoline, oil jet fuel leaks and spills.

- **ENVIRONMENTALLY FRIENDLY**

A low VOC, non-flammable coating that contains NO coal tar.

- **COOL WEATHER FORMULA AVAILABLE**

Engineered to perform at temperatures as low as 40°F.

For over 40 years, Neyra Industries has been a leader in the pavement maintenance industry. It is our passion to develop high quality products that exceed industry standards. Neyra products are available nationally at our manufacturing plants and Neyra Pavement Products distribution centers as well as through various distributors and contractors.
