PICK UP AND DROP OFF

Please close the gate behind you when entering and leaving. There is a horseshoe on the gate that secures it open to a post in case of a windy day. If you do not secure the gate, you risk it closing on your vehicle.

Drop off and pick up are at the gazebo to the right of the main barn and at the end of the big arena. If there is severe weather, we will be inside the barn.

Camp starts at 8:00am, you may not drop off earlier than 7:50am. Pick up is at 1:00pm. Please make sure you are on time. Caitey, Alley, and Katrina have tight schedules. If you know you are going to be late for pick up or drop off, please text or call Caitey at the number listed above. **THE LATE FEE IS \$40 AT 1:11PM. IF YOU ARE LATER THAN 30 MINUTES, THE LATE FEE IS \$60. IF YOU ARE LATER THAN 1 HOUR, THE LATE FEE IS \$80. OVER 1 HOUR LATE WE ARE REQUIRED TO NOTIFY THE POLICE.** If you know you have a scheduling conflict at pick up time, sometimes an instructor is available for a lesson after camp. Contact Caitey and see if we can fit your camper in for a lesson after camp.

WHAT TO BRING TO CAMP

WATER OR A WATER BOTTLE - During our Florida summers, heat exhaustion is a genuine threat. We cool off in the hose and break out the fans every summer. We expect our campers to pack plenty of water and we always keep an eye out for signs of overheating. There is a water bottle refilling station right outside the bathroom in the main barn. We also have vending machines so bring some change.

SNACKS AND A LUNCH: KONAS ICE VISITS OUR BARN ON WEDNESDAY AT 12:30PM. BRING \$6.00 ON THIS DAY.

BUGSPRAY & SUNSCREEN: Bugs... We have them. Flies, mosquitoes, and spiders to name a few. We have Deep Woods Off Bug Spray on hand. But if your child is sensitive to this brand, please pack your preferred bug spray.

CLOSED TOE SHOES: A riding boot with a half-inch heel should be worn while mounted. Students **MUST** provide their own boots. Children are allowed to wear any closed toe shoe (sneakers) if boots cannot be obtained. No flip flops or sandals. If you have new boots bring comfortable sneakers to wear while not mounted.

SEI/ASTM CERTIFIED RIDING HELMET must be worn while riding. It is recommended that the student obtain their own helmet but we have plenty to borrow. **No Bike Helmets allowed.** Riding helmets can be purchased at Oak Hollow or Online. Again, we have helmets that campers can borrow. They are sanitized at the end of the day.

WRITE YOUR CHILD'S NAME ON EVERYTHING: We are not responsible for lost items, but we will always help you look, and we pick up forgotten items if we see it before we go. Contact Caitey if your child loses anything.

LONG PANTS must be worn for riding. Children can bring shorts to change in to. Summer time is hot for the children as well as the horses. We encourage children to bring extra clothing and a towel as we sometimes get wet bathing horses!

We have an onsite private bathroom with soap for hand washing, use, and changing.

PREPARE FOR FARM WORK: We clean stalls daily. We believe that children should care for the horses in order to get the full equine experience. There are fans in each stall and in the hallways to cool off.

MANURE: They are going to shovel it and push wheelbarrows of it daily. Horses are herbivores. The chemical constituents of **horse manure** are **not** toxic to humans. **Horse** guts **do not** contain significant levels of the two waterborne pathogens of greatest concern to human health risk, Cryptosporidium or Giardia, **neither do** they contain significant amounts of the bacteria E. coli O157:H7 or Salmonella.

If your child feels ill, we will call you for an early pick up.

You must sign the liability release form and medical release forms attached and present them on the first day of camp. **Parents/Legal Guardians must sign the form before children can ride.**

If your child misses a day of camp, please contact us to let us know they are out. **Camp days are nonrefundable.**

WHAT TO EXPECT AT HORSEMANSHIP CAMP

At an average day at horse camp, campers arrive in the morning for our camp powwow (meeting) to go over the day's events and address any safety issues from the day before.

We learn something about the type of riding we will be doing. (parts of the saddle, how to handle the reins, mounting safety and more) Then we get our horses out and start grooming and tacking up.

We split up in two groups and while the first group rides, the second group learns about horse care and stable management.

The first lesson of the day usually lasts an hour per camper. We work on improving the rider's skills and then we switch riders.

Two campers will share one horse for the week.

Share the horse, share the work is our motto and we all pitch in to cool the horses out, hose them down and feed them lunch.

Then it's our turn to cool out in front of a fan and eat lunch.

After lunch we will play a game, sometimes we do a craft, learn something cool about horses and maybe even get wet playing in the hose then back to the horses for a little afternoon horsey fun, and learning. A change of clothes is important in the summer, and we have a private bathroom for campers to change in.

If time permits, the second ride of the day will involve fun games on horseback on our small but secure trail. We try to ride twice a day at least three times during the week.

If it rains, we move into the barn and focus on groundwork safely inside until the storm passes. If there is lightning within a ten-mile radius, we do not ride. Don't worry though, we have plenty of other fun horse activities while we wait for the weather to clear.
