MANAGEMENT DISCUSSION & ANALYSIS

OVERVIEW

Global Economy:

The global economy in Calendar Year (“CY”) 2019 has seen one of the slowest growth rates since the 2008 financial crisis. According to the International Monetary Fund (“IMF”), the global GDP may have registered 2.90% growth in CY 2019, significantly lower than 3.60% in CY 2018, and there will be a negative growth of 3.00% in CY 2020. Other factors for the slowdown anticipated early in the financial year are the US-China trade relations, concerns over Brexit and the consequent stress on the global manufacturing and trade.

The biggest calamity in the beginning of CY 2020 was the global outbreak of coronavirus, which grew from a local problem in China to a global pandemic in a matter of weeks in early CY 2020. Lockdowns in most of the affected countries saved lives but were a huge blow to economic activities and the impact will be felt for a long time to come.

A global economic recovery depends to a great extent on the pandemic being brought under control, containment measures being scaled back and trade and manufacturing activities being gradually restored without causing a second wave of contagion.

Indian Economy:

The Indian economy grew by 4.20% in FY 2019-2020 still remaining one of the fastest growing major economies in the world. Industrial activity remained healthy in the beginning of the year, but saw some weakness later. Auto sales suffered due to weak credit conditions, demand softness, and change in regulatory norms. However, services credit averaged at a healthy 10% YOY growth even as credit growth deteriorated. Despite weak trade environment amid increasing protectionism, services exports remained resilient at about 8.00%. On the rural side, with food prices firming up, demand saw some recovery with three-wheeler sales returning to positive growth in December quarter (+8.00% YOY), but reversed the recovery in the 4th quarter.

Meanwhile, the Index of Industrial Production grew by 3.60% in FY 2019 and was majorly driven by growth in Infrastructure/Construction goods sector. Furthermore, inflation remained well in control. The Wholesale Price Index and Consumer Price Index based inflation was at 3.18% and 3.41% respectively in FY 2019. Additionally, Reserve Bank of India announced multiple rate cuts to ease the liquidity tightening.

The Indian economy has also seen recapitalization of public sector banks, various amendments to goods and service tax, clean-up of non-performing assets through National Company Law Tribunal, implementation of Insolvency and Bankruptcy Code during the period.

PRE-COVID-19 PANDEMIC

The pace of global economic activity during the first three quarters of 2019 remained weak, after slowing down sharply in the last three quarters of 2018.

As per estimates released by the IMF in its ‘World Economic Outlook’ April 2020, the growth in world output moderated to about 2.90% in CY 2019. This was the lowest growth rate since the global financial crisis in 2009. Momentum in

manufacturing activity, in particular, weakened substantially. Rising trade and political tensions around the world have increased uncertainty about the future of the global trading system and international cooperation, taking a toll on business confidence, investment decisions, and global trade. A notable shift toward increased monetary policy accommodation had cushioned the impact of these tensions on financial market sentiment and activity, while a generally resilient service sector has supported employment growth.

The spread of COVID-19 has had a severe adverse effect on businesses around the world. In many countries, including India, there have been serious disruption to regular business activities due to lockdowns, disruptions in transportation, supply chain, travel bans, quarantines, social distancing and other emergency measures. The COVID-19 pandemic continues to spread around the world. The IMF estimates the world economy to decline by 3.00% in CY 2020 followed by a recovery and growth of 5.80% in CY 2021. The shape and speed of recovery in the United States and China will be the key to determining the nature and traction of the global economic recovery.

INDUSTRY STRUCTURE & DEVELOPMENTS

The Indian commodity futures landscape has been evolving and the national commodity exchanges have made a big headway since their inception, with volumes surging with every passing year. The turnover on the Indian commodity bourses has increased exponentially after electronic trading was introduced in 2003. Commodity Exchanges such as MCX, NCDEX are introducing newer and newer commodity derivatives such as option trading in gold and crude oil, futures in copper, cardamom, etc.

In recent years, with the globalization of Indian economy and sensitivity of prices of commodities to global factors, commodities have witnessed heightened price volatility, which has exposed all stakeholders to price shocks, from primary producers, such as farmers, to end-users, such as the manufacturing sector.

Although India has to cover a long distance to be able to harness the potential in many commodities, it has substantial opportunities to develop consumer demand and uncover latent consumption. Despite having significant benefits, commodities trading has been mostly limited to large corporates, trading houses and high net worth individuals. Steps such as lifting the ban on futures trading in commodities, approving new exchanges, which offer modern infrastructure and systems, and removing legal hurdles to attract more participants have increased the scope of commodity derivatives trading in India. This has boosted both the spot market and the futures market in the country. The trading volumes are increasing while the list of commodities traded on the national commodity exchanges also continues to expand.

The commodity markets are at a juncture where investment in education and research is important to sustain their growth. Exchanges in India have been taking various initiatives to systematically develop markets through continuous innovation, education and research focused on spreading awareness of the modern trading mechanisms facilitated by commodity exchanges.

Trading in Commodities and Derivatives are subject to inherent risks such as credit risk, margin risk, volatility in prices of commodities and currencies, political risk, leverage risk, operational risk such as high transaction costs, regulatory changes, interest rate risk, warehousing and storage cost, etc.

Your Company Management believes in any market, the biggest risk is not having a complete understanding of the business. Hence, your Management adopts focused based approaches in trading in order to reduce the risk and create a sustainable value creation for its stakeholders.

There is a huge opportunity to move the gold and diamond business from unorganized to organized space in many countries including India and China. The organized segment has tremendous growth prospects. Growing consciousness for branded jewellery, increasing purchasing power in the Tier I and II locations, and increasing demand for diamond jewellery are major opportunities for the next 10 to 15 years. The major threat could be changes in government policy with regard to import and export of gold products.

There has been a noticeable rebound in international industrial demand for silver in 2017, which has gone up for the first time since 2013.

Silver saw a market surplus in 2019 of 31.3 Moz (973t). The fourth surplus in a row, this only added to earlier gains in global above-ground stocks, giving a total of 254.2 Moz (7,905t) for the decade to 2019. The market recorded healthy gains in physical investment and demand from the photovoltaic industry, as well as smaller increases seen in other industrial category. However, these were largely offset by losses elsewhere in electrical and electronics applications, silverware and jewellery. Institutional investment fared even better than physical demand in 2019.

The strength of industrial demand and the mixed picture for other fields like jewellery and recycling point to total demand for Silver trending higher in the longer run.

SEGMENT-WISE/PRODUCT WISE PERFORMANCE

As at present, your Company has no segment/product wise classification and deals only in Single Commodity trading (Silver).

RISKS AND CONCERNS

Risk is an integral part of the business and we aim at delivering superior shareholder value by achieving an appropriate balance between risks and returns. Commodity Trading is subject to continuously evolving market dynamics, regulatory

Our Senior Management identifies and monitors the risks on an ongoing basis and evolves processes/systems to monitor and control the same to contain the risks to minimum levels. Ongoing monitoring by our officials help in identifying risks early.

Further, we deal only with fixed contracts on physical delivery basis and also hedge the price fluctuation linked to these contracts.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

Your Company has a robust system of accounting and administrative controls ably supported by an internal audit system with internal checks and controls to ensure safety and proper recording of all assets of the Company.

The scope and coverage of audits include ensuring operating guidelines, and the reliability of financial and operational information and adherence to statutory compliances.

The Internal Auditor of the Company reviews all the control measures on a monthly basis and recommends improvements, wherever deemed appropriate, and reports to the Management.

Based on their recommendations, the Company has implemented a number of control measures both in operational and accounting related areas, apart from the usual security related measures. The internal controls are designed to ensure that the financial and other records are reliable for preparing financial statements and other data and for maintaining the accountability of the assets.

INDEPENDENT AUDITOR'S REPORT

To the Members of **Utique Enterprises Limited** (formerly known as Apple Finance Limited)

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of Utique Enterprises Limited (formerly known as Apple Finance Limited) ("the Company"), which comprise the Balance Sheet as at March 31, 2020, the Statement of Profit & Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and Notes to the Financial Statements, including a summary of Significant Accounting Policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date, subject to:-

Point No.10 of Note 24 regarding non consideration of Deferred Tax Assets (Net) amounting to ₹5,19,10,381.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Standalone Financial Statements* section of our report.

We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the independence requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Emphasis of Matter

We draw attention to Point No.14 of Note 24 to the financial statements, which describes the uncertainties and the impact of the COVID-19 pandemic on the Company's operations and financial statements as assessed by the Management. The actual results may differ from such estimates depending on future developments. Our opinion is not modified in respect of this matter.

Information other than the Standalone Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Corporate Governance and Shareholders' Information, but does not include the standalone financial statements and our Auditor's Report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the India Accounting Standards ("Ind AS") specified under Section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditor's Report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditor's Report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in

aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in **Annexure "B"**. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit

qualified opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of Management and Directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper Management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note.

Notes to the Standalone Financial Statements for the year ended March 31, 2020

1. Corporate Information

Utique Enterprises Limited ("the Company") is a listed entity incorporated in India. The address of its Registered Office and principal place of business are disclosed in the introduction to the Annual Report. With effect from February 4, 2020, the name of the Company was changed from Apple Finance Limited to Utique Enterprises Limited.

2. Significant Accounting Policies

2.1 Statement of Compliance

These standalone financial statements of the Company have been prepared in accordance with Indian Accounting Standards (referred to as "Ind AS") as prescribed under Section 133 of the Companies Act, 2013 ("the Act") read with Companies (Indian Accounting Standards) Rules as amended from time to time.

2.2 Basis of Preparation

These financial statements have been prepared on historical cost basis and mercantile system of accounting where income and expenditure are recognized on accrual basis.

The statement of Cash Flows has been prepared under Indirect Method.

2.3 Summary of Significant Accounting Policies

(a) Property, plant and equipment

Property, plant and equipment are stated at cost of acquisition less accumulated depreciation (other than free-hold land) and impairment loss, if any.

The Company provides depreciation on straight-line method on the basis of useful life of assets as specified in Schedule II to the Companies Act, 2013.

The Company assesses at each Balance Sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the Profit & Loss Account. If at the Balance Sheet date there is an indication that previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciated historical cost.

(b) Investment in Equities

All investments are stated at cost of acquisition. The investment sold during the year are accounted on

first-in-first-out basis and investments purchased and sold during the year are shown on net basis. Provision is made for diminution in the value of investment, wherever required.

(c) Provisions

Provisions are recognized when the Company has present obligation (legal or constructive) as a result of a past event for which, reliable estimate can be made of the amount of obligation and it is probable that the Company will be required to settle the obligation. When a provision is measured using cash flows estimated to settle the present obligation its carrying amount is the present value of those cash flows unless the effect of time value of money is immaterial.

(d) Cash and Cash Equivalents

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks, which are unrestricted for withdrawal and usage.

(e) Contingencies

A contingent liability is a possible obligation that arises from past event whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

(f) Employee Benefits Expense

The provision for employee benefits such as Provident Fund, Gratuity and Superannuation is made for employees from the date of their respective appointment.

The Company's contribution to the Provident Fund, Pension Fund, Superannuation Fund and other fund is charged to the Profit & Loss Account.

The amount of Gratuity liability as ascertained on the basis of actuarial valuation by Life Insurance Corporation of India is paid/provided and charged to the Profit & Loss Account.

Provision is made towards liability for leave encashment.

INDEPENDENT AUDITOR'S REPORT

To the Members of **Utique Enterprises Limited** (formerly known as Apple Finance Limited)

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of **Utique Enterprises Limited** (formerly known as Apple Finance Limited) ("the Company") and its subsidiary (the Company and its subsidiary together referred to as "the Group"), which comprise the Consolidated Balance Sheet as at March 31, 2020, the Consolidated Statement of Profit & Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year ended on that date, and Notes to the Consolidated Financial Statements, including a summary of Significant Accounting Policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31st March, 2020, the consolidated profit, consolidated total comprehensive income, consolidated changes in equity and its consolidated cash flows for the year ended on that date, subject to:-

Point No. 10 of Note 24 regarding non-consideration of Deferred Tax Assets (Net) amounting to ₹ 5,19,10,381.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report.

We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the independence requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Emphasis of Matter

We draw attention to Point No.14 of Note 24 to the financial statements, which describes the uncertainties and the impact of the COVID-19 pandemic on the Company's operations and

financial statements as assessed by the Management. The actual results may differ from such estimates depending on future developments. Our opinion is not modified in respect of this matter.

Information other than the Consolidated Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion & Analysis, Board's Report including Annexures to Board's Report, Corporate Governance and Shareholders' Information, but does not include the consolidated financial statements and our Auditor's Report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management Responsibility for the Consolidated Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance, consolidated total comprehensive income, consolidated changes in equity and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards ("Ind AS") specified under Section 133 of the Act.

The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Management either intends to

liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Company and its subsidiary company, which is company incorporated in India, has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of the Management's use of the Going Concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditor's Report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditor's Report. However, future events or conditions may cause the Group to cease to continue as a Going Concern.

- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entity or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entity included in the consolidated financial statements.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matter

We did not audit the financial statements of Apple Asset Management Limited (Subsidiary Company), whose financial statements reflect **total assets of ₹5,24,26,199 (excluding debit balance of ₹10,62,59,471 in the Profit & Loss Statement) as at March 31, 2020, total Revenue of ₹Nil, total comprehensive income/(expenses) [comprising of profit/(loss) and other comprehensive income/(expenses)] of ₹(85,340) and net cash flows amounting to ₹(66,073)** for the year ended on that date, as considered in the consolidated Ind AS financial statements. These financial statements have been audited by other auditors whose report has been furnished to us by the Management and our opinion on the consolidated Ind AS financial statements in so far as it relates to the amounts and disclosures included in respect of the subsidiary, and our report in terms of sub-sections (3) and (11) of Section 143 of the Act, so far as it relates to the aforesaid subsidiary is based solely on the report of such other auditors.

Our opinion on the consolidated Ind AS financial statements and our report on Other Legal and Regulatory Requirements below is not modified in respect of the above matter with respect to our reliance on the work done and the report of the other auditors.

Annexure "A" to the Independent Auditor's Report

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date for the year ended March 31, 2020)

Report on the Internal Financial Controls over Financial Reporting under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2020, we have audited the internal financial controls over financial reporting of **Utique Enterprises Limited** (formerly known as Apple Finance Limited) (hereinafter referred to as "the Company") and its subsidiary company, which is a company incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company and its subsidiary company, which is a company incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("the Guidance Note"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company and its subsidiary company, which is company incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company and its subsidiary company which is company incorporated in India.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial

statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of Management and Directors of the Company; and

- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company and its subsidiary company, which is company incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

2.2 Basis of Preparation

When a provision is measured using cash flows estimated to settle the present obligation its carrying amount is the present value of those cash flows unless the effect of time value of money is immaterial.

(c) Cash and Cash Equivalents

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks, which are unrestricted for withdrawal and usage.

(d) Contingencies

A contingent liability is a possible obligation that arises from past event whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.
