Gold Lampstand Education aims to be the premier provider of Educational Guardianship in the UK for Chinese students.

The purpose of Gold Lampstand Education is to provide a safe, caring and supporting environment for the students that we look after and their parents whilst working closely with our partner schools and host families.

Gold Lampstand Education will be professional and courteous at all times and take a genuine interest in the well-being of the students that we look after.

Through regular communication and student visits we will ensure that at all times we will offer a personal, caring and compassionate service and we will care for our students as we would our own children.
