**@OBGLIONS**

On behalf of the Orange Blossom Gardens Lions Club of Lady Lake, welcome to the "Lively Living: Eldercare Services Expo"!

This expo serves as a platform to connect you with various service providers addressing life-stage planning, hospice services, home care assistance, medical services, insurance providers, and more. Our goal is to enhance the quality of life for members of our community by connecting them with the services and support they need.

Today, you can engage with professionals, discover valuable resources, and participate in meaningful conversations about supporting seniors in our community. Whether attendees are caregivers, seniors themselves, or individuals passionate about eldercare, there is something for everyone.

More than 1.4 million Lions work tirelessly worldwide to positively transform the lives of those within the local community. Our motto of "We Serve" underscores our mission to provide support and resources under our eight pillars, including childhood cancer, diabetes, hunger, youth, the environment, disaster relief, vision, and humanitarian causes.

By working with our community partners, we aim to create a brighter future for all. Visit [www.obglions.com](http://www.obglions.com) or email [info@obglions.com](mailto:info@obglions.com) for more information.

Yours in service,

*Barbara Crewell*
