Arriving in Style

Arriving at one's destination ready and able may be accomplished with the automobile, but to arrive in style, as well as in utmost comfort, is particularly appreciated by those who know and want the best.

General Electric
The Automobile

It is the exclusive line of cars which are particularly useful every day on South & East production in great use at industrial work buildings.

Not knowing that Baker and South & East Electric also include expert engineering features that offer unusual strength of service safety and value.
