

Once upon a time in the land of YUM ICES...

There was a King and Queen who's family name was **YUM**. The story goes the King and Queen had three sons named **YUMMY**, **YUMMIER** and **YUMMIEST** and they created 51 flavors of Italian (water) Ices made with pieces of real fruit. All across the land the people's tummies young and old gathered to enjoy each and everyday the Yum, Yummier and Yummiest of times of **YUM ICES**. Today the **YUM** family receives the highest honors to be bestowed in the land of **YUM "Yummylicious"**. Plus when you visit the land where **YUM ICES** are sold you get an free extra scoop (with purchases starting at \$3). All roads lead to the land of **YUM ICES**: However, "Sorry We Don't Mix Flavors" so no matter the reason, nor season when you visit the sweet land of **Yumminess** you will enjoy again and again the many flavors of **YUM ICES!**
