

The Connection News

Session #1: Sept. 2-Oct.12

Deadline for Session #2 Tuition: October 5

Welcome to another new year of gymnastics!

As we all prepare to greet your kids and have another fun session, we wanted to remind everyone that **our tuition policy has changed** from last year. **Session #1** tuition was due **at sign-up**, so if you have not paid tuition for this current session, please do so now! A **\$20 late fee** will apply for any tuition payments made this week.

Following Session #1, tuition is due for the next session by the end of **Week 5** of the **current session**. A **\$20 late fee** will be applied for any payments made during **Week 6** (the final week of the current session). Anyone who does not pay **BEFORE Monday** of the new session will be dropped so that we can add another child from our waitlists!

Tuition dates for each session can be found on the class schedule, calendar, and online; there will also be an invoice and email reminder sent beforehand along with posted signs in the gym.

Credit cards do **not** have any extra fees attached to them, so paying by card will cost exactly the same as paying by cash or check. We hope this will make it easier to work with the new tuition schedule for the year. If you plan to stay with us for multiple sessions, we highly recommend enrolling in our **autopay system** so that you will never have to worry about tuition due dates or late fees!

Don't miss the only open gym of the session! We have it at a **new time**, for a **new price**, and it now includes **dinner!**

September 27: Seahawks Spirit—Wear your Seahawks gear and come for gymnastics free time!

6:30pm-9:30pm ~~~ \$30/child

*****Must sign up in advance and prepay!*****

Reminders for Parents

- ❖ Please contact the front desk if you know you will be missing a class! This will allow us to efficiently schedule make-ups throughout the session, and we can work with you to find an alternative class. We offer only two make-ups per session. These must be scheduled within the session of the missed class and will not carry over to another session!
- ❖ Your child will be automatically re-enrolled in their class unless a 2-week written withdrawal notice is given to the front desk.
- ❖ If a student will miss the first fifteen minutes of class, please schedule a make-up instead; they will miss their warm-up and it becomes a safety issue to let them join.
- ❖ Though we will do our best to send reminders, parents are ultimately responsible for keeping track of our policies. Please be sure to mark important dates and make-up classes in your calendars!
