

Registration Form

NWHCAP is excited to guide you on your journey through recruitment. Please fill out this form if you are interested in participating in Sorority Recruitment. The form will generate a standard resume that will be provided to our members for reference consideration. Registration with NWHCAP does not guarantee invitations or memberships to any sororities.

You must still register with your university and or college Panhellenic in order to participate in recruitment.

Filling out this questionnaire does not guarantee membership or that the designated sororities will recruit candidates.

NOTE: You will need to upload a recent headshot and full body photo at the end of this form. Files must be >1MB.

NOTE: Please pay attention to what Google account your web browser is logged into. That account will be tied to your survey response. Any subsequent changes will need to be from that account.
