RE: Power-Wash Reminder
For: Edgewater Homeowner's Association

Dear Residents,

On behalf of The Board of Edgewater Homeowners' Association we would like to remind all the residents of Edgewater Community to power-wash the exterior of their homes by **June 30th, 2019.**

Any home found with a dirty exterior after **June 30th, 2019** will be sent a violation letter and a fine will be assessed to their account. It is the Association's sincere desire to uphold the value of your home and the neighborhood by maintaining its general beauty. We hope that you share in the same desire.

In case you complete this prior to the deadline, please email us pictures with your address/account number so your account can be updated immediately.

If you have any questions or concerns, please feel free to contact us at (614) 766-6500 or email us at customerservice@rpmanagement.com.

Thank you for your assistance in doing your part to keep Edgewater HOA a great place to call home.

Respectfully,

On Behalf of the Board of Directors,

Real Property Management, Inc., AAMC, AMO
An **Associa** Member Company for
Edgewater Homeowner's Association, Inc.
