

## Ascension – Luke 24:50-53

Jesus led his followers out of the city.  
(March in place.)

He stopped, raised his hands, and blessed  
all the people. (Lift your hands to the sky.)

After the blessing Jesus left and went to be  
with God. (Open and close your eyes.)

The people knew they would miss Jesus  
(Pretend to cry.), but they continued to  
worship and praise him. (Shout, "Jesus  
loves me!")

### Family Spiritual Practice

Read the story of Ascension  
together, acting out the motions.  
Repeat as desired.

**Wonder:** What do you want to  
remember about Jesus? How can  
you continue to praise Jesus?

**Do:** Some stories in the Bible, like  
the Ascension, make us wonder  
or ask questions. As a family,  
make a list of things you've always  
wondered about in the Bible.

**Pray:** Dear God, thank you for  
always being with us and showing  
us great and wonderful things.  
Thank you for Jesus, who is always  
with us. Amen.
