The Two Houses – Matthew 7:24-27

Jesus teaches us about wisdom by telling us a story of two builders.

The first builder built a house on rock. Rock is a solid foundation and helps a house stand strong.

The other builder built a house on sand. Sand sinks and is soft. The house on the sand was not very sturdy.

After the builders constructed their houses, storms, rain, and floods came.

The house built on the rock did not fall, but the house built on sand was destroyed.

Family Spiritual Practice

Read the story of The Two Houses together. Use different blocks or toys to help you retell the story at home.

Wonder: What do the houses in this parable represent? What did you learn from this Bible story?

Do: Think of ways that your family can have a "solid foundation." Make a list of things you can do as a family to make wise choices and help your family "stand strong."

Pray: Dear God, thank you sending Jesus to teach us how to live. Help us to apply what we are learning to our lives. Amen.
